Dry and Store More in Less Space

The 24" deep Camshelving® Dome Drying and Storage Rack provides sanitary drying and safe handling while offering unmatched versatility. This flexible solution can be customized to hold domes, bases and trays in a single, compact footprint, streamlining product handling and maximizing space.

- Modular drying cradles are easy to install and reconfigure.
- Removable cradles are high temperature dishwasher safe.
- Mobile casters make maneuvering easy.
- Lifetime warranty against rust and corrosion.
