

Ultra Pan Carriers®

Top Loading

For GN Food Pans
Models UPC160, UPC180

Features & Benefits

- Rugged and dependable, these Ultra Pan Carriers provide an exact fit for a wide variety of GN Full and Fractional size Food Pans.
- Create a wide variety of service configurations for food transporting using Cambro's GN Fractional Food Pans and 12" (32,5 cm) Divider Bars. Easily transforms these Ultra Pan Carriers into a mini food bar, salad bar or condiment station!
- GN 1/1 Full Size Food Pan capacity:
 - Model UPC160 – 1 each 6" (15 cm) deep
 - Model UPC180 – 1 each 8" (20 cm) deep
- One-piece seamless, double-wall, high-density polyethylene construction is durable, lightweight and dishwasher safe. Textured exterior is scratch resistant.
- Polyurethane foam insulation helps to ensure excellent food temperature retention, hot or cold.
- Self venting design helps equalize pressure and release steam.
- Four durable nylon latches and an airtight gasket ensure excellent temperature holding performance. Latches will not rust and gasket removes for complete cleaning.
- Easy to load and unload. Simply remove food pans using finger notches.
- Molded-in handles on all four sides provides a comfortable grip for easy transporting.
- Unique interlock design on the bottom and top corners ensures secure stacking for more efficient transportation and storage. Also stacks with Camcarriers®.
- Optional Camdollies® offer easy transporting.
- Non-electrical.
- No assembly required.
- Available in 7 colors for quick food content identification and inventory control at-a-glance.
