GLOBE S-SERIES PREMIUM

FROZEN SLICERS

Globe's S-Series Premium Frozen Slicers deliver consistent, thin cuts up to 1/8" thick. The 13" double serrated, hardened edge steel knife provides quality slices of frozen and non-frozen product, and thinly sliced frozen meat rolls as it comes off the knife. S-Series Frozen Slicers are available in a manual model for intermittent slicing or an automatic model for slicing in bulk, operating at 30 strokes per minute.

Two-year parts and labor warranty!
