Features & Benefits Warranty: 5 Yrs.

- Lightweight
- Stackable
- Durable & impact resistant
- Hygienic and easy to clean
- Ideal for the foodservice environment!

Whether it's outside on the patio or deck, or inside as a dining chair, the Grosfillex Vegetal Sidechair will withstand many years of daily use. This sturdy chair is proudly made in USA with air molded technology, and comes complete with a 5 year manufacturer's limited warranty. The solid one-piece construction of this chair ensures that, through years of usage, there will be no loose fittings or joints. The resin material is easy to clean, will never rust and will withstand several years of direct sunlight without fading.
