

Weston Blender with Sound Shield

Model Number : 58917

UPC: 812830025562

Our blender with sound shield offers performance, versatility, and a quiet shield for blending without the loud noise associated with traditional blenders. A 1.6 peak horsepower motor lets you blend, crush, grind, mix, chop, and puree, all with the simple turn of the dial. Precisely blend using the pulse function or use the infinite speed control. Create nutritious smoothies, creamy shakes, sauces, nut butters, and more. Add more fruits and vegetables to your diet by making whole juices and green smoothies at home. A custom tamper is included for blending thick or frozen mixtures. The 32 ounce jar is shatterproof and has easy-to-read measurement marks. Built to provide years of blending, the blender is backed by a five-year limited warranty. Blend your own special combination of ingredients or use the included recipe book with recipes from soups to breads and salads to smoothies. And don't forget dessert. Each recipe offers fresh ingredients, vibrant flavors, and easy blending steps.
