UNDERCOUNTER REFRIGERATORS

MXSR48U

MXSR60U

MXSR48U

MXSR60U

REFRIGERANT

Environmentally-friendly R-290A, with the lowest global warming potential value (3) of any commercially available refrigerant

ELECTRIC

Model:

115/60Hz/1 Ph (NEMA 5-15) (additional voltage options are available) Cord set includes plug & 9.8' (3m) cord

NEMA 5-15P

Maxx Cold Select Series Undercounter Refrigerators are designed for performance – holding your products at their ideal storage conditions. These undercounter refrigerators make the most of available space and provide excellent service. The stainless steel exterior provides durability and ensures years of reliable service if properly maintained. The unit's foam insulation and forced air cooling system deliver an outstanding food storage environment.

International Model:

Add -50 (220V/50Hz/1Ph)

FEATURES

- Easy to grip, stainless steel, self-closing doors with integrated door handles
- 4 Casters (2 locking, 2 non-locking)
- Adjustable shelves (one per section/door)
- Integrated condensate evaporator pan eliminates the need for a floor drain connection
- Available in various sizes to suit your spatial and storage volume application requirements

TEMPERATURE

- Holding temperature: 33° to 41°F (1° to 5°C)
- Utilizes environmentally friendly refrigerant R290A
- Efficient, forced-air refrigeration system delivers even temperature regulation throughout the food storage compartment
- Readily adjustable solid state control scheme with digital temperature display
- Oversized refrigeration and efficient foam insulation provide for rapid recovery and excellent temperature regulation

CONSTRUCTION

- Exterior Material: Durable, easy to clean stainless steel
- Interior Material: Easy to clean painted aluminum
- Environmentally friendly, CFC-free urethane foam insulated walls and doors
- Heavy duty epoxy coated shelves for easy access and minimal maintenance without disrupting air flow
- Rear-accessed utility compartment provides space efficiency as well as easier servicing while conserving energy consumption
- Easily replaceable dart-style magnetic compression gaskets

Certified to ANSI UL 471

DOE 2017 Compliant

Maxx Cold Select Series WARRANTY (USA / CANADA)

One (1) year parts

One (1) year on-site labor

Four additional (4) years compressor (part only) Administered by The Legacy Companies, 877.368.2797

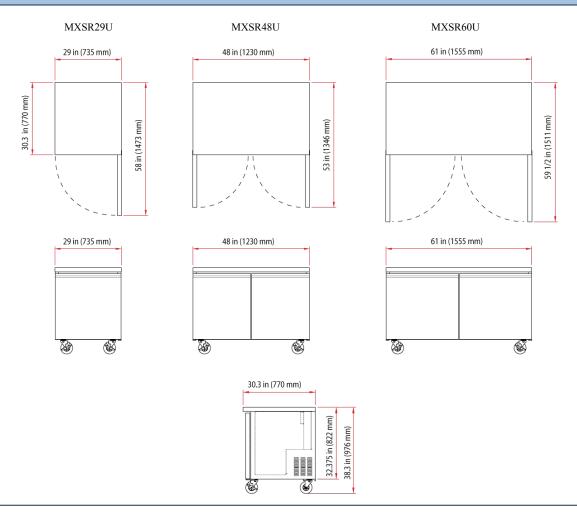

24/7 tech support provided
