

Model MIM1000

1000 Lb. Ice Maker

Model MIM1000

The MIM1000 is an extremely reliable and efficient commercial ice maker that produces up to 1000 pounds of ice per day. Stainless steel construction provides durability to a unit that is low-maintenance and easy to clean. The unit produces crystal clear ice cubes that work great for applications in restaurants, bars, hotels, grocery stores, and more. This model is NSF and UL approved for commercial use.

Maxx Ice's continuing commitment to quality products may mean a change in specification or pricing without notice.
