Easy Shield™ Clear Partitions — Utility Line

NEW!

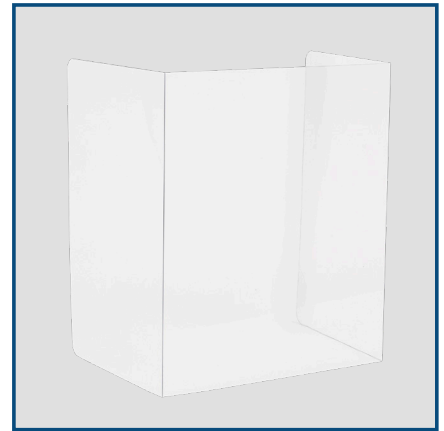

- Great for personal use and mobility—ideal for short-term applications, like classrooms and conference rooms.
- Portable, lightweight and easy to carry, even for a child.
- Unfold quickly to set up on a desk or table, then, fold flat again to store away.
- Material is PETG (polyethylene terephthalate glycol) —5 to 7 times stronger than acrylic.
- Optional: Surfaces can be frost coated to create a white-board effect.
- Rubber or plastic foot kits available—sold separately.
