

SPACER TANK BASE FOR 28 L CONTAINER

P/N. 1180190

SALES DESCRIPTION

Stainless steel made spacer tank bases for insulated tanks, enhanced tanks and Gastronorm tanks.

The spacer base insulates the product from the tank floor, allowing water circulation. Thus, a more uniform cooking result can be obtained.

SPECIFICATIONS

Crated dimensions

18.9 x 10.8 x 0.6 "

Gross weight: 2.1 lbs.
