GENERAL INFORMATION

- **UGT-RM1111:** This single burner griddle top features a removable handle for easy storage and easy-pour corners. It works well on induction ranges, portable burners or any other heat source. A handy item to have around the kitchen or camp. Made from 12 gauge steel.
- **UGT-RM1220:** This griddle top is made from 10 gauge steel and fits home ranges, barbecues, camp stoves, etc.
- **UGT-RM1423:** This 2-burner griddle top fits commercial ranges and made from tough 7 gauge steel. It has sturdy loop handles and rounded corners to easily pour off grease. Works equally well on gas or electric ranges. Also popular with outfitters, Boy Scout groups and church groups.
- **UGT-RM2323:** This 4-burner griddle top has the same great qualities as UGT-RM1423.
- **UGT-MC12 & 24:** These griddle tops fit most commercial ranges. MC12 is designed for 2-burner while the MC24 is for 4-burner and both can handle higher grease volume. It features a removable grease tray and adjustable frame. Made from 7 gauge steel and has 1-1/2" side walls. Heavy duty griddle designed for commercial use.
- **UGT-MB12 & 24:** These broiler tops fit most commercial ranges. MB12 is designed for 2-burner while the MB24 is for 4-burner and both feature a removable grease tray and adjustable frame. Our unique broiler design will not drip grease down on burners. Most juices burn off on the flare pan giving food an excellent broiled flavor, the remainder runs into the grease tray. Designed for commercial use.
